

GROUP MENU

INFORMATION

For groups we serve a selection of our dishes from the á la carte menu. This means that all the dishes can be ordered separately and will take on the prices of the regular menu.

We have all kinds of smaller dishes on the menu, and serve a 'shared dining' a la carte. With 2 or 3 dishes per person, you have a nice dinner! Our dishes are also not served all at the same time, but will find a way to the table, as quickly as possible, when they are ready in the kitchen.
